**Designed for the ease of entering and exiting your motorcoach and attaches quickly and easily to any screen door frame using strong magnetics.**

- Choice of MCD Clearview™ day shade or privacy/light blocking night shade
- Superior outward visibility and heat/UV reduction with MCD Clearview™ sunscreen
- Variety of night/light blocking material and colors available
- Complete privacy with night/light blocking material
- Rolls up from inside the coach with the door closed
- Sleek design
- Custom made for each make and model of RV
- Fits a variety of screen door styles
- Easy to install - includes hardware
- Only available in manual operation
- Can be mounted directly to a wall or door
- Made in the USA

**The Magnetic Screen Door Shade attaches to the door screen and moves with the door for ease of exiting/entering.**

To determine what Magnetic Screen Door Shade style you need, look at the examples below and pick out the style that best matches the frame on your screen door and write that letter in the form below. Example: If your screen door frame shape is style A, you would write style "A" on the form below. **NOTE: Final product tolerance for shade width is +/- 0.25" per shade**

## MEASURING INSTRUCTIONS

1. Choose the style that matches your screen door: Style (A or B) \_\_\_\_\_

2. TYPE A: Measurements for above style:

Measurement 1 \_\_\_\_\_ (Height) Measure from inside bottom frame up to where the curve begins

Measurement 2 \_\_\_\_\_ (Width) Measure from inside-to-inside frame

TYPE B: Measurements for above style:

Measurement 1 \_\_\_\_\_ (Height) Measure from inside of frame

Measurement 2 \_\_\_\_\_ (Width) Measure from inside-to-inside frame

3. Material Color: Day Shade \_\_\_\_\_ Night Shade \_\_\_\_\_
